KINGSLAND LABRADORS

GUARANTEE

Pups bred and whelped at Kingsland Kennel carry a hip and eye guarantee.

It is impossible to state that any given dog will be completely free of genetic imperfection. In our breeding program, we only breed dogs that are certified to have normal hips that show no sign of *Hip Dysplasia* as evaluated by the Orthopedic Foundation for Animals Inc. (O.F.A). We also require all dogs in our breeding program to have a yearly eye exam by a certified ophthalmologist showing they are free of inherited eye problems. We do research the backgrounds of the Sire and Dam and litters they may have produced. Only then, and when we are satisfied that these dogs are sound, do we breed. We feel that by adhering to these standards we are cutting down the odds of producing a defective pup. Therefore we offer this guarantee provided the purchaser complies with this agreement.

Our guarantee covers the following inherited conditions:

- We guarantee this dog to have normal hips (that show no sign of *Hip Dysplasia*) as evaluated by the Orthopedic Foundation for Animals Inc. (O.F.A.) Hips must be X-rayed between 24 and 30 months of age.
- We also guarantee this dog's eyes to be free of Retinal Dysplasia. The eyes must be checked by a certified ophthalmologist before 30 months of age.

If there is a problem, the following must be done:

- A copy of the finding from O.F.A. and/or a copy of the findings from the certified ophthalmologist must be sent to us for our records.
- The dog <u>must not</u> have been bred.
- Our kennel name "Kingsland" must appear on the AKC registration papers.

At this point, when we are satisfied that a problem does exist, and all conditions above have been met:

- We will replace this dog with a pup of equal value when available, and Buyer agrees to return the dog to the Seller. (All transportation expenses will be assumed by the Buyer.)
- If said dog is to be retained by the Buyer, the Seller will refund half of the purchase price with proof of spaying or neutering.

Additional agreement:

If you can no longer keep your puppy/dog, or wish to sell it. The Seller reserves first option to either buy or take back the dog. (We just want to ensure this dog always has a good home and we consider this part of our responsibility!)

• This guarantee applies only to the original Buyer of this dog.
