Conditions of Service:

Stud Fee \$800

Natural Breeding: Owner of stud will receive \$200 nonrefundable deposit upon arrival of bitch. Owner of stud guarantees that service will place the fertile bitch in whelp. Stud fee will be reduced to \$200/pup if less than four pups result in a litter. IF the bitch fails to be in whelp, the bitch owner must give notice to the owner of stud dog no later than 65 days following date of service. If notified, a return service will be given to the same bitch at her next heat.

It is specifically agreed hereby, that remaining balance of stud fee is due when the AKC litter registration is sent for signature. Application for litter registration will be signed at this time.

It is specifically agreed hereby, that the owner of the stud is not obligated to sign litter registration until and unless the stud fee has been paid in full.

This service includes boarding of bitch for first 7 days at no charge. Starting day 8, boarding charge is \$20 per day. All veterinary costs are the responsibility of the bitch owner. No costs will be incurred without permission unless it is an emergency.

Frozen Semen Breeding: Stud fee \$800, full stud fee is due prior to semen shipment.

Stud fee will be reduced to \$200/pup if less than four pups result in a litter. If no pups result from the breeding, stud fee will be reduced to \$200.

Kingsland's Rocky Top MH frozen semen is collected and stored at:

International Canine Semen Bank (ICSB) - #503-663-7031, located in Portland, Oregon. Contact ICSB for frozen semen shipping costs for owners of bitches.
